## About this Listing

The Legislative Reference Bureau compiles, and periodically publishes, the *Numerical Listing of Sections Affected by Wisconsin Acts* from the enrolled bills and joint resolutions the Wisconsin Legislature passes. The LRB makes a reasonable effort to provide a complete and accurate listing, but assumes no responsibility or liability for possible errors or omissions.

This listing shows, in the ascending order of the decimal-numbered statute sections affected by 2017 Wisconsin Acts, the changes enacted by the 2017 legislature in its regular and special sessions. The listing also contains references to statute sections affected in prior legislative sessions that have delayed effective dates beginning after January 1, 2017, and statute sections affected by Supreme Court Orders effective beginning after January 1, 2017.

Some whole-numbered statute sections, though last printed in the statutes of 1919, continue in force today. To publication time, no act passed by the 2017 legislature has affected these whole-numbered statute sections.

In separate tables, this publication shows changes in nonstatutory session laws and in the Wisconsin Administrative Code resulting from 2017 enactments. Constitutional amendments approved by the 2017 legislature on first consideration for review by the 2019 legislature, constitutional amendments approved by the 2017 legislature on second consideration for submission to the electorate, and statewide referendum questions for submission beginning with the 2017 spring election appear on the last page.
